

DWI Arrests
2009 total vs. 2010 benchmark

DWI

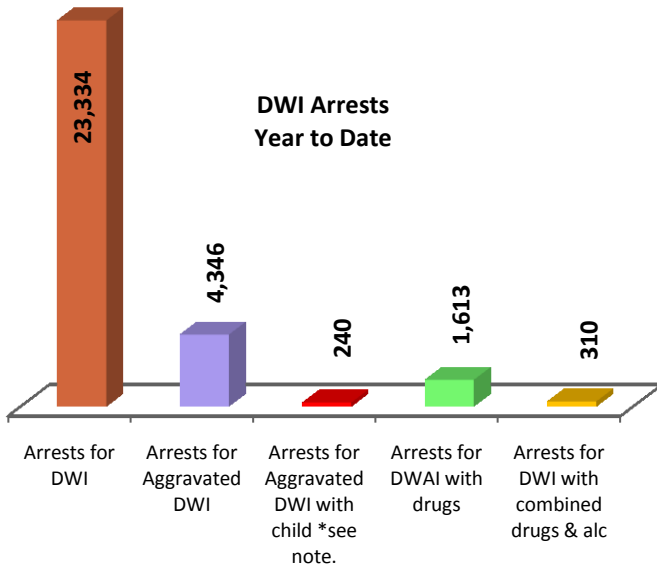

This chart represents the total number of arrests in 2009 for DWI, aggravated DWI, aggravated DWI with child, DWAI with *drugs*, DWI with combined drugs and alcohol (all in blue) and the corresponding benchmarks for 2010.

The numbers included herein are derived from unexamined and incomplete data in DMV databases at the time the counts are taken.

Due to variances in reporting, at any particular point in time, this data may vary significantly from official end of the year counts published by DMV.

DWI arrests do not include alcohol-related incidents in certain jurisdictions (NYC and portions of Suffolk County), which are not reported to DMV.
